## About Us

Established in the year **1997** at **Ludhiana (Punjab, India)**, we “**Preet Medi Wears**” are a **Sole Proprietorship** firm that takes immense pride in introducing ourselves as a leading **Manufacturer** and **Supplier** of **OT Gown, Scrub Suit, Nursing Uniform, Patient Gown**, etc. Our complete product array is thoroughly designed using optimum quality fabrics and contemporary techniques in compliance with defined quality standards. Our product array has received a huge round of accolades and admiration across the country for the features like fine finish, tear resistant nature, perfect fitting, light weight, etc. In addition to this, we make available these products in various specifications as per the specific requirements of the customers.

Backed by a modern infrastructure, we design the offered products in bulk as per the clients' requirements. We have divided our infrastructure into various departments like manufacturing, warehousing, stitching, printing and quality control. For precise control of the entire manufacturing process, we have employed adroit and hard working professionals for each unit. We have equipped our infrastructure with the latest and most-advanced machines to carry out the entire process in an efficient manner. After designing of the products, these are stringently tested against diverse quality parameters under the supervision of highly experienced quality controllers. We understand the value...
